The David School

Mile 36

An aerial satellite view of a rural area. A road runs diagonally from the top left towards the center. To the right of the road, there is a cluster of buildings with light-colored roofs. A yellow pushpin is placed on one of the buildings, with the text "The David School" next to it. The surrounding landscape is mostly green with some brown patches, suggesting a mix of vegetation and cleared land. In the bottom right corner, there are some faint circular icons and a vertical scale bar.
